

discover points

The Discover Points are designed to help individuals develop personal disciplines and start the spiritual journey with God. We have organized these points into the following categories:

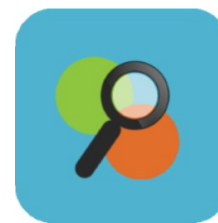

Discover Salvation: God promises eternal life to anyone who believes in Jesus Christ for it. He alone can save us from our sin because He died on the cross in our place. He rose from the dead and is now alive to give His eternal life to anyone who will receive Him by faith. Salvation is not by our works but is a free gift of God.

Discover the Bible: Personal Bible reading is an important component of a vital spiritual life. We have Bible reading plans on the WBC website and devotional books at the entry doors of WBC to help you discover the joy of a time in the Bible every day.

Discover Prayer: Prayer is personal communication with God and is necessary to deepening your walk with the Lord. While public prayer surrounds everything we do at WBC, it does not replace the importance of personal times of prayer.

Discover Baptism: Please contact Pastor Bruce or the church office if you would like to be baptized. Baptism is a public profession of your faith in the Lord Jesus Christ and your desire to follow Him as a disciple.

Discover Giving: Jesus said that where you put your treasure will show where your heart is. We have a few options of how you can donate to God's kingdom here at WBC. Giving will help align your heart to God and His purposes. You can find a list of giving options at the Connection Center and on Realm.
